

Third Annual Crawfish Festival Raises More Than \$45,000 Net for Cancer Patients Statewide
Fundraiser proceeds benefit patients with essential living expenses

On Saturday, April 6, the Florida Cancer Specialists Foundation held its third annual Shrimp & Crawfish Festival at the Florida Cancer Specialists (FCS) Tampa Cancer Center. FCS physicians and executives also volunteered their time by participating in the infamous dunk tank. The family-friendly event raised more than \$45,000 net that will support patients statewide undergoing cancer treatment with their nonmedical living expenses such as rent, mortgage, utilities and car payments. To ensure that every cent of all donations goes to support patients in need, Florida Cancer Specialists physicians pay for the Foundation's overhead and staff salaries.

About Florida Cancer Specialists Foundation:

The Florida Cancer Specialists (FCS) Foundation provides financial support to qualified adult cancer patients in the state of Florida for expenses such as rent or mortgage, car payments and utility bills. By giving patients peace of mind in knowing that their bills are being paid while they are undergoing treatment, the FCS Foundation allows them to concentrate on what really matters – fighting cancer.

Due to the generosity of the Florida Cancer Specialists physicians in covering all overhead expenses for the Foundation, 100% of donations received go directly toward paying the essential non-medical living expenses of an adult battling cancer.

The Foundation is a 501(3)(c) nonprofit organization and located at 5204 Paylor Lane in Sarasota, Florida. Learn more about the FCS Foundation at: Foundation.FLCancer.com or call 941.677.7181.
